

**VERSA TRADERS LIMITED**

*Quality from Certified Suppliers*

**COMPANY PROFILE**

## Who We Are

Versa Traders Limited is a private limited company that was registered in 2003 as a sole proprietorship and later incorporated in 2015 under the Company Act (CAP486) of Kenya.

## Our Services

We are a trading and industrial supplies company focused in providing access to different industrial spare parts and engineering services of the highest quality at an attractive cost to food processing industries and beverage industries.

## Our Vision

Our vision is to become one of the leading spare parts supplying company in the region.

## Our Mission

Our mission is to grow our business ethically, nationally, regionally and to serve our customers and trading partners with uncompromising integrity giving them attractive and cost friendly alternatives as compared to the original machine manufacturers.

## Our Core Values

High standards of integrity, honesty, transparency and excellence are what define us. We perfect what we do.
